MULTI-FUNCTION WORK LIGHTS

Discover our great selection of work lights with their ultra bright COB LED technology. Thanks to their versatility, they are easy to handle and very convenient for all types of domestic work, repairs and renovations.

Some models have adjustable kickstands for flexible support, others have built-in hooks for hanging or folding heads for more flexibility when working, and some models are pocket-sized flashlights.

Whether it's for repairing your vehicle, emergency lighting, camping, at home or for small jobs around the house, BUZZLIGHT will always be a great help and a valuable tool to keep close by!
