**ASTM F2100
LEVEL 2**

MEDICAL PROCEDURE MASK

Certified ASTM F2100 Level 2

BOX OF 50

- This mask provides basic protection for moderate risk procedures especially regarding splashes.
- It is ideal for appointments, medical exams, and meetings that involve human contact or proximity.
- Triple ply, latex free and ultrasonically sealed, this mask is designed to provide moderate splash resistance.
- With soft, elastic earloops and a malleable nose clip, it provides a personalized fit that promotes comfort and makes breathing easier.
- Excellent choice for medical procedures.
- Ideal for healthcare workers, first responders, dental offices, beauty treatments and nursing homes.
