**MEMORY  
FOAM!**

Running shoes are by far the most popular footwear on the market. They are sold by millions all over the world. Who doesn't own a pair?

This never seen product combines the sports, interior shoes and athletic looks. The KiCKS slippers are simply answering the demand for plush and comfortable slippers with their cool, sportive and unisex style.

Whether stretching your legs near the fireplace or just chilling at home, the KiCKS slippers are versatile and even allow going from the inside to the outside during summer time. Thanks to their rubber sole.
